# Final Blow' Finds Wentzel Grim, But Looking Into Future

(Mercury Staff Writer)

With his last hope for freedom vanishing yesterday, Gerald C. Wentzel returned early last night to his cell in the Eastern penitentiary Ernest E. Heim — had been based mainly on affidavits of two men in his every word and gesture, was a faint hint of ironic relief. at Graterford — to work on his plans for a new house in Pottstown, Dressed in the work shirt and challe-striped trousers he will wear during the ten-20 year prison term from which there is no further appeal, he reaffirmed his innocence of the murder of Mrs. Miriam P. Green and declared:

Some day I'll find the right man. And I'll keep trying until I do. I'd like to shout that from the housetops, But," he added as he glanced with a wry smile at the bare prison office, "there are no housetops here."

But it certainly applies here in Portstown, where law enforcement is lax.

In fact, law enforcement in Pottstown is practically an unknown quantity. Except for parking meter violations, little enforcement is ORDERED or DESIRED by the head of the Pottstown police department.

it can be said with certainty that they want the respect and admiration of youngsters. It means more to them in most cases than the regard of adults.

It must be terribly demoralizing, therefore, for policemen to see their superiors ignoring enforcement of such simple regulations as no parking on certain streets, or the flagrant disregard of one of the best safety measures on the borough's law book - the bicycle ordinance.

Potistown's chief of police has made pretty much of a joke of the bicycle ordinance.

Again the past Saturday not a single "violator" was brought before the bicycle court. This bicycle court could be developed into one of the finest educational factors in the borough. It could teach children respect for the law, safety regulations, lessons in government and what not.

Yet the chief of police makes no effort to use his imagination to inculcate obedience and respect in the borough's youngsters. The result is that the children have

no respect for the law, nor for the policemen on the beat. To face the youngsters during the day's duty and to go home at the end of shift and face the family, with this knowledge eating at a cop's conscience, must be mighty unpleasant.

Enforcement of laws without fear or favor is the sworn duty of policemen. The most instances, opposed the Federal Re- be named Linda Maria only way they can hold the respect of the serve board and the Securities and Expublic, youngsters included, is by fulfilling change commission when they sought to that sworn duty.

The board also referred to the teachers committee a request from the faculty for salary payments on a 12-month basis, instead of the present nine-month system. A report Supervising Principal Harry K. Gerlach was heard.

Gerlach reported on the educarlon congress meeting held in Harrispurg the past week. He also remorred on the guidance program committee headed by Kenneth Rothermel of the high school faculty.

GERLACH ALSO requested an opinion on the status of post-graduste work in the high school. The beard on motion of Wilson Kulp voted to leave any post-graduate students work under the advisement of Gerlach subject to the overcrowding of classrooms.

The report of the supervising ormerpal also listed the use of the high school by the fire company the past month, the proposed use by the alumni for basketball and the fact that the bleachers would be ready for the football game Saturday with Upper Merion.

Gerlach also named five student teachers from Ursinus college who had reported for duty last week. ### U. S. Armed Forces Give Demonstration Of Attacking Power

EGLIN FIELD, Fia, Oct. 6 (A) Combined armed forces today stageda thunderous and flame-filled demonstration of vastly augmented air

The demonstrations were given a touch of realism by a couple unscheduled incidents, ineluding a breathtaking fall by a paratrooper whose main chute did not open. He had to use the emergency chuic in a last split-second of drop.

In three hours of demonstration on vast proving ground observers from all branches of the service saw how the United States armed forces plan to conduct an invasion if World War III should

The curtain-raiser was four B29 Superfortresses droning 10,000 feet above the battle ground, releasing four 4000-pound bombs each. All bombs smacked dead on the target exploding in a tremendous uprush of black smoke and flame.

AN ASSORTED air force of Navy and Marine planes, then showed how they would support advancing grounds troops with high and low level bomoings, rockets, napalm fire bombs and gunfire. Indicative or how bomb power

of postwar aircraft has been stepped up since the war was the Air Force's F82 plane attack. This twin fuselaged plane (made by coupling together two

fighter models into one plane) blasted the target area with shattering power of 25 five-inch rockets. The man figuring in the nerve-tingling incident of the jump was a member of the all-Negro unit of the 82d Airborne division - Pvt.

Dr. Howard C. Lindeman, 37, was released early today after police questioned him for five hours. He was taken into custody less than a half hour after he established identity yesterday on the basis of dental work. No charge was filed.

Mrs Lindeman, 38, disappeared Aug. 21. She was the mother of a two-year-old daughter.

Police believe the head found yeseawed from a torso discovered Sunday alongside a road near Olean. A pathologist reported the torso and two knees and a forearm found on a roadside near Wales Center two weeks ago "matched perfectly"

Dr. Oliver Jones, anatomist and assistant dean of the University of Buffalo Medical school, said the dissection apparently had been done by a person well acquainted with anatomy.

Dr. Lindeman offered a \$1000 reward three days after his wife disappeared for information leading to her return.

When Sain lined viciously to right for the second out it looked as though Bullet Bob might pull through safely. As he started to pitch to Holmes he whirled and snapped a throw to Manager Lou Boudreau which very nearly got Masi as he slid desperately back. Boudreau, in fact, argued-with Umpire Bill Stewart about it:

As it turned out, Stewart's decision was the most vital one of the thrilling centest. It gave Holmes all the chance he needed to join Sain as co-hero and send the anderdog Boston club away winging.

With the big run under his belt Sain didn't give the Indians a chance to fight back in the ninth. After Boudreau and Joe Gordon flew out to open the frame, Cleveland got a brief life when Elliott took Ken Keltner's roller and threw high over Earl Torgeson's head at first base.

None of the four blows off Sain ones to Rickert in left. was better than a single, and they

That was all until the eighth, and the authorities were thumbing through their record books to see how many one-hitters had been hurled in World Series games. There had been three, including one by Floyd Bevens of the Yankees, who was beaten by Brooklyn in his brilliant effort the past year at Ebbets Field. The last series two-hitter was

The Golden Cubs dropped their first game of the year to Phoenixville the past week, and that defeat coupled with the past year's loss to Ardmore in the final game of the season gives Coach Gene Kauler's crew a two-game losing streak.

Kauler was far from being disappointed with the Cubs at Phoenixville the past Friday. The Golden Cub mentor said the boys played good football and it was a bad break that lost the game.

THE PHOENIXVILLE team, unable to penetrate through the Pottstown line throughout the first three periods, shook loose one of its backs in the final three minutes for a Spring City High's girls hockey touchdown.

team built up a-comfortable 3-0 lead | The Pottstown eleven had nuat halftime and then went on to merous opportunities to score but defeat North Coventry by a 4-1 score | couldn't get a TD. Kauler has tried to improve the Cubs' offense this week, hoping that it will help the team score a few six-pointers.

The Cubs defeated Coatesville

Travel to Meet Coatesville Today on Franklin Field a year ago and will be seeking their second consecutive win over the Ches-

> ter countians this afternoon. Kauler said last night that he intends to use the same starting lineup that opened the season against Phoenixville in today's game. Pottstown's backfield will have Dave Ricketts at quarterback, Dick Powell and Bob Heydt at halfbacks and Stan Chaplin at fullback. The line will consist of Kriczky and Harrison at ends, Grim and Cizick at tackles, Renninger and Suchoza at guards and Weiser at center.

# New B.F. Goodrich tire rides your car on a velvet pillow

You're floating! You're gliding! You're

It's as if your whole car were nestled on a velvet pillow that amothers every bump and

In the new B. F. Goodrich Premium Quality Silvertown, advanced engineering technique combines a larger air chamber with less air pressure for a noticeably softer ride. Seeering is easier, road fight reduced.

To this new concept of tire design are added quality features never before combined in one tire, to produce the finest tire ever built. Stronger rayon cords and double-thick nylon shock shields give nearly double the bruise resistance of ordinary tires. Wider tread and scientific tread design lessen skidding hazards, reduce road hum - greatly extend tire mileage. Gleaming white sidewalls, unmarred by markings, enhance the beauty of any car.

### EXTRA LARGE TRADE-IN

You'll get top dollar allowance for the mileage left in your present tires—as much as the full purchase price on new or alighely used tires.
